Preliminary Amendment - First Action Not Yet Received

Amendments to the Specification:

Please amend the first paragraph on page 1 as follows:

This is a divisional of Serial Number 10/204,895 filed November 26, 2002. This invention relates to valves and especially, but not exclusively, to valves for use in reactive traffic calming humps, and to a traffic calming device incorporating such a valve arrangement. This application as it applies to the designated state US is a continuation-in-part of application serial 09/180,621 (corresponding to PCT/GB98/00748) entitled Deformable Speed Hump, the contents of which are hereby incorporated by reference.
